di-men-sion n. Magnitude in length, breadth, thickness, or time. Usu. pl., measure, size, or range.

Each year of high school has its own dimensions. Freshmen must adjust to their new surroundings. They learn to have fun despite the frog jokes, elevator passes, and loads of books to carry!

Sophomores break out of their shells because they're no longer the lowest of the lower classmen. Calling Mom for rides home isn't necessary any more because many sophomores get their licenses.

Juniors are thrilled finally to be upperclassmen. They can see the light at the end of the tunnel; they only have one year left.

Seniors have finally made it! They've been together for three years, and soon they will be on their own. The dimensions of their high school years will be remembered as they read this book.

The squad was very competitive. They started practicing last summer after attending NCA camp where they won first place in competition at the Illinois State Fair. The girls then entered the fall season to compete and win a regional competition which qualified them to go to Nashville, Tennessee to compete in the IOCC (International Open Cheerleading Championship). The squad practiced six days a week for three weeks to prepare for this big event. When the girls competed, they placed 1st in the small varsity division out of 67 squads. The squad is proud of their achievements, but their first priority was always to support the Runnin Reds teams.

Sports Honors

Shelley Lourash

Shelley Lourash's successful post-season play began by her winning the sectional bowling tournament in Decatur. This qualified Shelley to go on to the state tournament in Peoria in February. At the state tournament, she bowled a 231 game — her best ever, and went on to place fourth in the state of Illinois. This is the best finish ever for a Stephen Decatur bowler!

Lauri Phillips

Lauri Phillips was selected as a member of the All-Team America at the National Cheerleading Competition in Nashville, Tennessee in December. Out of 3000 cheerleaders, 250 were nominated to the tearn. After her nomination, Lauri performed a two minute routine in front of a panel of judges. She was one of the 15 cheerleaders who were chosen for this high honor.

Wendi Johnson

Wendi Johnson was chosen to be a Pom Pon Superstar by the National Cheerleaders Association. She was selected at the ISU Pom Pon camp last summer on the basis of her leadership, personality, and ability. Receiving this title qualified Wendi to travel to England and Ireland in the fall, where the Superstars performed many routines. Wendi was one of 30 girls from the United States who was selected to travel abroad.

The twenty-seven members of the Senior Class Council, along with their advisor, Mr. Carlson, managed to make their senior year their best yet. Quick thinking on the part of the "Senior Chiquitas" added to entertainment at the Homecoming Assembly. December was one of the busiest months for the Council. After many hours of planning, coloring and cutting, their Deck the Halls theme, "Senior Wonderland," was awarded second place. Also during the month, the Council debated on the style of graduation announcements that were voted on by the entire Senior Class. Planning the Senior trip and picnic kept them looking forward to the close of the year and their long-awaited diplomas. The quotes on the senior pages are in answer to the question, "What is your favorite dimension of SDHS?"

The members of the Junior Class Council have been very active this year. They put on a skit for the homecoming assembly, sponsored several school dances, and sold candy to raise money. The money raised went toward this year's prom which was put on by the Junior Class Council May 23rd. "Who is your favorite teacher?" is the question that our staff asked some members of the junior class.

In Memoriam

Frank Chizevsky

Mr. Chizevsky had been associated with Stephen Decatur since 1962. While attending Millikin University, he was recognized as an All-American football player. After attending Millikin, Mr. Chizevsky was drafted by the Los Angeles Rams. He later served in the military during the Korean War. Mr. Chizevsky returned to athletics when he became the head football coach at Lakeview High School. He was then named assistant football coach at Southern Illinois University, where he coached for several years. In 1962, Mr. Chizevsky came to Stephen Decatur, where he served as the assistant football coach and head wrestling coach. After years as a physical education instructor, he became a counselor in 1977. Mr. Chizevsky passed away in June, 1986, and is greatly missed by students and faculty.

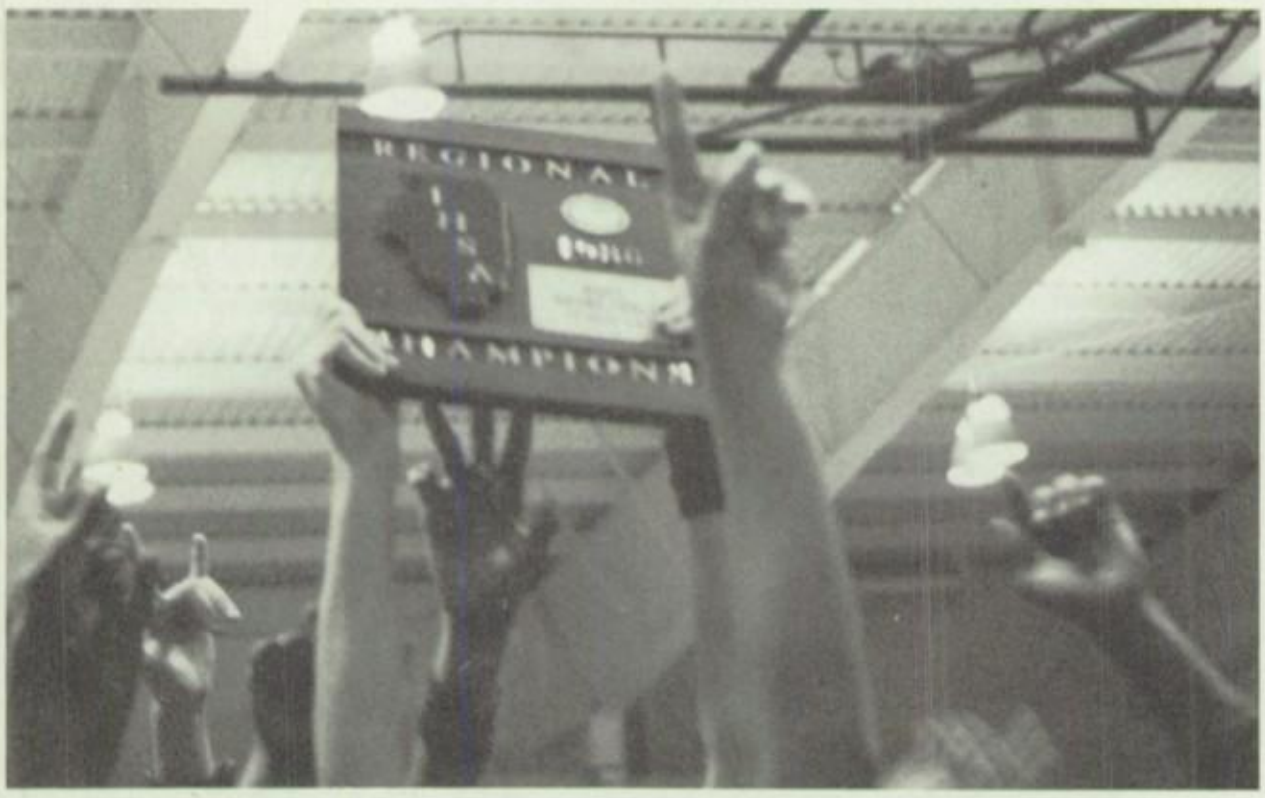
REDS Warm Up Winter



To most students the arrival of March means spring and warmer weather for outdoor activities. However, this March brought the return of "March Madness" to SDHS. Warmer weather and outdoor activities remained in the background while the 1985-86 Runnin' Reds played in the Boys State Basketball tournament. For the first time in 19 years SDHS won the Sectional tournament and a berth in the "Sweet Sixteen."

School spirit soared this spring as the Reds basketball team returned to state prominance. With each game the fan support increased. To the Super-Sectional game the five fan buses and caravan of cars received a police escort out of Macon County. The stands at the game were full of fans dressed in red and white. Painting faces and wearing red ribbons became the craze on the day of a game. School life centered around the excitement of the games. This year the last months of winter were not dull and boring thanks to the play of the '86 Reds Basketball team.

How Sweet It Was!!! Sweet 16

This year Runnin' Reds basketball fans got the thrill of a Sweet Sixteen berth in the large school state tournament.

The team overcame unbelievable odds to advance to the Super-Sectional round of tournament play. The excitement started in the regional tournament opening game where our top-seeded Reds handled Eisenhower easily. In the regional final the team fought to a terrific triple-overtime win. The Reds beat MacArthur as Junior Works sank a pair of free throws for a 83-82 victory.

The first sectional tournament victory came over Springfield Lanphier. The opponents for the Sectional final were the impressive Quincy Blue Devils, whom the Reds beat fairly easily. This gained the Super-Sectional berth as Stephen Decatur fans realized that to win "all you've gotta do is believe" and "how sweet it is!"

Five fan buses and many carloads of fans accompanied the Reds to ISU for the game against Romeoville, and despite playing well the Reds' dream of the Elite Eight and the Assembly Hall ended. It was a great end to a great season and one that will be talked about and remembered for many years. This season the thrill of victory was back at SDHS!!
